Notes from the Pro Shop

We now have a well stocked Pro Shop with a wide variety of clothing and golf accessories. You are invited to look at our catalogs to order items and sizes not in stock.

The bag tags are in and if you didn't order one and want one, we will be ordering them again. We will have some blank bag tags for visitors and guests.

If you have constructive suggestions and innovative ideas feel free to put them in the suggestion box.

Are you on our volunteer list? We will be needing volunteers for both the Pro Shop and the grounds for the Spring and Summer.

We would love to have you on the list! A very grateful **THANKS** to all of you that are current volunteers!

**A BIG
HOWDY & A HANDSHAKE!**

As Spring rolls into view, we are scheduling a major deep coring of all the greens. This procedure will provide a much healthier putting surface, more efficient use of water, and greens that are more resistant to disease and heat. Our goal is to have the best greens in SE Arizona. Stay tuned as we will need several volunteers to assist.

FROM THE SCGA BOARD

IN 2008 106 GOLF COURSES CLOSED

Thanks to your support both financially and with your volunteer efforts we were not one of these sad statistics. And with your continued support we plan to stay afloat in the future.
