ANOTHER BIG STEP

The restaurant at Shadow Mountain is open! First a golf course managed by volunteers, then a Farmer's Market, and now the restaurant operated and managed by volunteers. Presently open for breakfast and lunch (7 a.m.-2 p.m. daily). A special thanks to Charles and Patsy Tidd for taking the initiative for the start up, all the volunteers for the clean up, Norma Sue Griffin and Peggy Mory for the creation of the Mesquite Lounge. And a special thanks to Frank Baker, Frank De Camp, Gary Brauchla, Danny Siler, and Tim Heine for volunteering their professional services. Lynn and Marsha Christensen are currently serving as volunteer managers of the operation with a staff of competent volunteers. A special thanks to Diana Moe the breakfast specialist, and Janelle the lunch specialist. Our goal is to provide simple, nutritious meals at affordable prices.

In addition to the scheduled hours, we will open for special events of 15 persons or more. We are planning guest chef evenings and special occasions to best serve the needs of the community. 2009 Farmer's Market

A special thanks to Frank and Anni Kievitt, Jerry and Ann Whittsett, Doug and Roma Payne, and all the entertainers, volunteers, and vendors who made the Market a great success this past Summer and Fall. What a treat for the community to have such a lovely variety of locally produced produce and baked goods each week. Crafts, books, art and specialty vendors also graced us with their offerings throughout the season. The 2009 season has ended and We are all looking forward to the 2010 Farmer's market!
