## SEASONS GREETINGS

**December will be a busy month around the clubhouse** so get out your calendars and fill in the blanks. The trees are trimmed and we are ready to share the spirit of the season on the course and in the clubhouse. Bring your toys and sign up for the **Toys for Tots** scramble on the **5th**. If you are not in the tournament and want to contribute a toy, feel free to drop one off at the pro shop. Lunch will be served after the tournament. Save room for the **Elegant Dessert Night** beginning at 5 PM this event is hosted by the Library and served at the Community Center Saturday Evening.

**Sunday December 6** we will be having a members social hour at 4:30 and dinner served at 5:30. There will be a short meeting where the Board of Director will give you a brief update and will answer questions from the members. Chefs Lynn and Travis Christensen will be serving a pork loin roast dinner with all the trimmings. Call and make your reservations today. As an added treat for the evening **Frank and Anni** will entertain for your listening and dancing pleasure.

**Thursday December 10** Ladies Christmas Luncheon and scramble.

**December 12 & 19th Men's club championship.** Check the pro shop tournament board for further information.

**BRING IN THE NEW YEAR!** Remember we have limited seating so make to reservations now to ring in the new year at the Shadow Mountain Restaurant with a special dinner by Chefs Lynn and Travis. Music by Mac Williams. Dinner will be served from 6 to 8 PM and music from 7 PM until ? Cover charge includes Party favors and champagne at midnight!

**ARE YOU A SUPER CHEF?** Let Lynn and Marsha know and they will put you on the list for our local chef dinners beginning in January. The dinners will be Saturday night affairs with a pre-advertised menu and dinner by reservation only. How often will this happen? It depends on how many local chefs step forward. All chefs and their staffs are required to have their food handlers license. Once the menu is determined we will take care of the publicity, reservations, table arrangement, and food ordering. The cooking is up the guest chef and team. **Can't cook but can entertain.** Let us know and you can furnish the entertainment for the evening !

**GOLFERS PLEASE** observe the 90 degree rule, buddy up in carts, don't drive too close to the green and stay on cart paths or in the rough as much as possible. Most of the grass is in the dormant stage and carts on the fairway beats the grass down even more. This is the time of year when we get the most cart traffic so we hope you will give us a hand by observing these rules. Also, if you are using a rental cart and the shop is closed, please place the key in the door slot when finished golfing.
