Major Promotion

Shadow Mountain Golf, Recreation & Events Center is embarking on a test marketing & promotional program during the month of November to determine how many golfers in Cochise County are interested in travelling to **Sunsites** & playing at **Shadow Mountain**. We are offering a free round of golf & soft drink to acquaint them with our Golf Course, friendly volunteers and service as well as the entire surrounding village. Based on the results of a brief survey they will fill out, we will be able to design golf packages & pricing that will be attractive for many people to visit and enjoy our amenities. It is critical to the success of our efforts in preserving the Golf Course and Community that we be able to attract as many visiting golfers as possible and thus spur our local economy to even more activity & growth.

Chili Cook-Off

The 2nd Annual **Chili Cook-Off** is scheduled for Saturday, October 30th, under the tent in front of **Shadow Mountain Restaurant & Pro Shop**. Last year we had 14 entries & we hope to double that number this year! Please call *Frank* at 520-826-1250 or email *KlassAct@vtc.net* to enter your Favorite Chili. There will be a **People's Choice** favorite chili judging at noon. We invite everyone to come out & have a bowl of sumptuous chili along with your favorite beverage to help kick off the Fall season & celebrate our **Chili Heritage!** In addition, the final day of our 2010 Farmers' & Artisans Market will be held from 8 am to noon. Contact Frank for Vendor information. To cap off this very busy Saturday, the 2nd Guest Chef Dinner of the season will be held at 5pm on Saturday evening, hosted by the Shadow Mountain Men's Club. We invite all to participate and enjoy Sunsites!

Community Betterment Program Continues!

The work crews supplied to the Golf Course by ADOC over the last 3 weeks have had an outstanding affect on the appearance & playability of the course. Due to the persistent and higher than normal amount of rain this year, the overgrowth on the course has been extreme. The clean up would have been nearly impossible with only our volunteers, as in the past two years. The Golf Course is now in beautiful condition for all to enjoy. The next scheduled clean up will also encompass the grounds at the Community Center along with the Softball Field, Snack Bar area and Playground facility. Shadow Mountain will supply all the tools, equipment, tractors & trailers necessary to accomplish this work.
